Dear Mr Last

I refer to your recent letter regarding the removal of ashes and the official commemoration for the late Cyril Whayman Last from Woronora Cemetery for transfer to Enfield Cemetery, in order to place alongside his widow.

This Office raises no objection to the removal of the official plaque and I have advised our staff to collect the plaque from Woronora Cemetery, which is the normal procedure in cases such as this. It is your responsibility to arrange the transfer of the ashes to Enfield Cemetery.

I have also enclosed an application form to be completed and returned to us, so as to arrange the purchase of a niche and plaque at Enfield Cemetery.

Please feel free to contact me should you require any additional information or clarification on this matter.

Yours sincerely
