

PORT ARTHUR HISTORIC SITE MANAGEMENT AUTHORITY (PAHSMA)

Michael Langley

Michael's contribution to the Port Arthur Historic Site, and in fact to the whole Tasman

Community, was enormous. He served as a PAHSMA Board member from 1994 until 1997 and just before his retirement, Michael was Acting Chairman. His guidance and support to everyone at Port Arthur following the tragic events of 1996 will never be forgotten. To Michael's wife (and supporter) Felicity, and their family, we extend our condolences.
