Dear Mum,

Just a few lines to let you know that I'm in the best of health up to the time of writing. This is my fourth letter but you have not ~~any~~ answered any of them yet, so please write and let me know how everything is.

Jim Brown wrote and he said that everything is O.K. and that you were well, so I guess there's no

need for me to worry.

I hope Ray is working by now as it has been 8 months since I left home and he should have got a job in that time.

Most likely it will be a fair while before I'm home again so that means I won't be home for Christmas, so wishing you, Ray, Susie, Heather a merry Christmas and a ~~happay~~ happy new year.

I have written to Freda and she should receive her letter about the same time you receive this one.

Well I guess there

3.

is not more news for present,
so I hope you & all are
well and I will ^{write} again in
a few more weeks.

Your loving Son,
Gerald.

P.S. Hope you received money
all right

Just received your letter
dated the 20th November.
