

Fred's Movements at Gallipoli 1915

1. Fred arrived at Anzac Cove on 7.5.1915.
2. The 6th Battalion proceeded to Cape Helles on 2 days before Fred arrived at Gallipoli. They disembarked at V Beach at Sedd-el-Bahr then proceeded north and were fighting in the 2nd Battle of Krithia on the southern tip of the Gallipoli Peninsula. Fred's service record doesn't indicate whether or not he joined them there but if he did then he was one of the few to survive it...unlike his mate Bert who was killed in action at **X** on 8th May. He has no known grave.
3. The 6th Battalion embarked from Cape Helles on HMS Reindeer on 16th May and disembarked the next day to the trenches at Anzac Cove.
4. Fred was killed in action at **X** on 12.7.1915 aged 18 and was buried at Shrapnel Valley Cemetery.
