

Bush camp AT/NEAR SALAMAUA PNG and/or on Bougainville.

I am not sure but I understand that many of the dead soldiers from Salamaua and nearby were buried at this cemetery, I think that the graves were subsequently moved to LAE and/or BOMANA after the war. I was with my father when he found the grave of one of his mates at Bomana (Port Moresby) when he visited PNG in the 1980's. Graham CHRISTENSEN—son of Brian.
