Played with Adelaide University

Cricket Club: 1911-12 (B Grade)

Commercial Course/ Shipping Clerk

Background

Coinciding with the Centenary of Anzacs our incentive behind the series of biographical publications is the Adelaide University Football and Cricket Club's desire to honour our players who served in the Great War (1914 - 1918). These brave men put on hold their academic, professional and sporting careers for King and Country in the name of peace and freedom. The AUFC/AUCC WW1 Memorial Committee is endeavouring to identify every one of our players who served and prepare life stories on all. This is to ensure their sacrifices and further contributions to society will be recognised by future generations.

On Anzac Day 2015, the Centenary of the Gallipoli landing, a memorial plaque was unveiled on the Adelaide University Oval Pavilion and this was followed by the erection of a picket fence between the pavilion and the scoreboard with each picket bearing a plaque with the name of an AUFC/AUCC player who served.

The following documentation relates to the life of James Anderson Yuill. It is compilation of information and photographs collected from a variety of historical sources.

The two pavilions on the left and right are linked by the north and south walls to the back (east) wall, from which rises the focal point of the Memorial, a 105 foot tall tower, of fine ashlar. A staircase leads to an observation platform, 64 feet above the ground, from which further staircases lead to an observation room. This room contains a circular stone tablet with bronze pointers indicating the Somme villages whose names have become synonymous with battles of the Great War; other battle fields in France and Belgium in which Australians fought; and far beyond, Gallipoli and Canberra. On the three walls, which are faced with Portland stone, are the names of</p>

10,885 Australians who were killed in France and who have no known grave. The 'blocking course' above them bears the names of the Australian Battle Honours.

After the war an appeal in Australia raised £22,700, of which £12,500 came from Victorian school children, with the request that the majority of the funds be used to build a new school in Villers-Bretonneux. The boys' school opened in May 1927, and contains an inscription stating that the school was the gift of Victorian schoolchildren, twelve hundred of whose fathers are buried in the Villers-Bretonneux cemetery, with the names of many more recorded on the Memorial. Villers-Bretonneux is now twinned with Robinvale, Victoria, which has in its main square a memorial to the links between the two towns.

"LATE LCE.-CPL. J. A. YUILL.

Deep regret will be felt in Adelaide and Sydney by news of the death of Lce.-Cpl. J. A. Yuill, who was killed in action in France on August 22. The deceased was educated at St. Peter's College, and subsequently employed with the Adelaide Steamship Company for several years. He was for a short period at Murat Bay, and then proceeded to Sydney, where he was associated with the well-known firm of Messrs. G. S. Yuill & Co., Limited. He was a resident of Glenelg for more than 20 years, and left Adelaide for the front early in January last. His younger brother, Pte. J. F. Yuill, who is serving with a machine gun company, has been wounded in France." - [from the Adelaide Register 23 Sep 1916](#) (nla.gov.au)

From the book **Fallen Saints** -

James Anderson Yuill of Glenelg was born at Kent Town South Australia. After leaving St Peter's College he was a shipping clerk with the Adelaide Steamship Company at Murat Bay, Ceduna, South Australia before then proceeding to Sydney where he was associated with the well-known shipping and export firm of G. S. Yuill & Co.

James had no previous military experience and his only experience with weapons would have been that gained during the four months he was a member of Sydney Athletics Rifle Club.

He enlisted in Adelaide on 10 August 1915 and was posted to the Infantry Base Depot at Mitcham Camp where throughout September he attended an NCO Course. At the completion of the course, he was made an acting sergeant and allotted to the 7th quota of reinforcements for the 27th Battalion. A fortnight later, he was reallocated to the 8th quota and sailed with that quota aboard HMAT Borda on 12 January 1916.

Upon reaching Egypt, he was transferred to the 10th Battalion and at the end of February when he joined them at Serapeum was reverted to his substantive rank.

He was appointed lance corporal on 1 August but on 22 August just eight days short of his 29th birthday 3312b Lance Corporal Yuill, A Company, 10th Battalion was killed in action.

His brother Private John Ford Yuill, (OS) 25th Battalion AIF was wounded in France and invalided home to Australia in 1917. His eldest brother Private William Keith Yuill, (OS) 53rd Battalion AIF returned to Australia after the war.

Additional Biography

Early Life

James (Jim) Anderson Yuill was born at Kent Town, Adelaide, SA on the 18th June 1887, the son of John Ford Yuill and Katie Henriques.

Jim's father John Ford Yuill was born in Scotland and educated at Peterhead and at Aberdeen University. Due to ill health and requiring a warmer climate he migrated to Adelaide, Australia in 1868. He worked for the Mercantile Marine & Insurance Co. John returned to London to qualify as an 'average adjuster' and was the only man in South Australia to hold a Lloyd's certificate as a marine adjuster. He was well known as an accountant, auditor, valuator and fire insurance adjuster.

John Ford Yuill married Katie Henriques in Victoria, Australia in 1882 and the couple had four sons and three daughters, Elsie May Ford (b about 1883), Mary Joan (b 1884), Margaret Skelton (b 1886), James Anderson (Jim b 1887), William Keith (Keith b 1889), George Ashwin (b 1892), John Ford (Ford b 1894).

Jim's father had played cricket in the very early days of club cricket in South Australia. He played for the "South Australians" during the 1874/75 season and was still playing occasional social games in the 1880s. This was in the early days of the South Australian Cricket Association which was formed in 1871. In 1877 he was one of three nominations from the South Australians Cricket Club to be appointed to act as SACA umpires.

The opening match of this well-known Club took place at the Oval on Saturday, September 12. Sides were chosen by Messrs. F. Ayers and H. Y. Sparks. Jim represented St Peter's in the Inter-collegiate cricket match against Prince Alfred College (PAC) in December 1902 and he won the December Form Prize for "Form Remove Beta".

Tragically for the Yuill family, Jim's father, John Ford Yuill, passed away in March 1903, aged just 56 years.

Jim played Inter-collegiate football against PAC in July 1903. In September 1903, Jim was third in the Long Jump at the St Peter's Sports and in October 1903 he tied for third in the Long Jump at the Inter-Collegiate Sports. The St Peter's College club report for the 1903/4 season said that "The best all-round man in the team before Christmas was J.A. Yuill. He is a good medium paced leg break bowler, a safe bat, and good field. ... He obtained 23 wickets with an average of 23 runs."

Early Career

Jim was only 16 years old when he left school and joined the workforce; perhaps his move from school to the workplace was necessary due to his father's death. Jim joined the Adelaide Steamship Company. He won the 150

yards handicap race at the company picnic in February 1904. In June 1904 he was a member of the Adelaide Steamship Company football team in a match against the AMP Society.

In the last quarter, however, the steamship men had matters pretty well all their own way, and won by 9 goals 11 behinds, to 4 goals 8 behinds.

Jim played cricket in the Shipping Companies match at Adelaide Oval in January 1907. In February 1908 Jim and Mr F Lancelot Parsons left by the "Grantala" on a trip to Sydney.

Sport

Cricket

Jim commenced playing cricket for the Glenelg Cricket Club in November 1904 and he became the Honorary Secretary and Treasurer of the Club in September 1905. He was also the Honorary Secretary of the Glenelg Oval Association from at least September 1908 a position he held until he moved to the country in 1912.

When the Glenelg Cricket Club entered the South Australian Cricket Association B Grade in 1907/08, Jim was a member of the team along with this younger brother WR (Keith) Yuill. Jim made a top score of 81. Other brothers, John Ford Yuill (jnr) and George Ashwin also played with Glenelg but did not play in the top side.

GLENELG VERSUS UNIVERSITY.

The match between the Glenelg and University teams, begun on Saturday afternoon on the Glenelg Oval, was of especial interest, as both teams made their initial appearance in A grade cricket. The turf wicket was somewhat dead, but will improve under the influence of warmer weather. The University captain (O. E. Dolling) won the toss and elected to bat. H. Rankin and G. C. Campbell were the first batsmen, the bowlers being J. Laycock and F. T. Hack (captain of Glenelg). The duty of wicket-keeping was entrusted to C. Keaneally, and he carried it out well. The first wicket to fall was Campbell's, his stumps being scattered by Laycock after he had compiled 27 runs out of a total of 45. Dolling made things merry by opening his account with a boundary hit. With the score at 53 Rankin was run out. Drew followed, and helped Dolling to increase the total to 165. W. A. V. Drew soon fell a victim to Laycock's bowling. With the score at 177 Wilton became associated with Dolling, who had collared the bowling, and was giving a masterly exhibition of batting. At this stage Dolling passed the century, and received an ovation. On bringing his total to 112, and with the total at 201 he gave the wicketkeeper a chance, which was accepted. Included in his score were 15 boundary hits, and the seven bowlers who were tried received the same impartial treatment from him. Wilton and Davies remained not out with 21 and 27 to their credit respectively. Scores:—

GLENELG AND UNIVERSITY DRAW.

The University eleven, who had lost five wickets for 239 runs on the Glenelg Oval on the previous Saturday, declared their innings closed. F. T. Hack and H. Candy opened the innings for the seashiders, but after a few runs had been made Candy was cleverly caught by Jay off the bowling of Davis. D. McRae stepped into the vacant crease, and after compiling 11 he fell a victim to Cowan. M. Jacobs (a Geelong College batsman) and Hack then became associated, and runs came freely from the bat of the former. On reaching 60 Jacobs was smartly caught by Wilton. When stumps were drawn Glenelg had lost five wickets for 210 runs, and the game ended in a draw in favor of Glenelg. The chief feature of the game was the good fielding of the University men. Having played in Glenelg's first ever A Grade game, not having batted and given his position in the alphabet, Jim is now designated as cap number 11 for Glenelg. His brother Keith is cap 14.

Jim batted 5 times in the 1908/09 season scoring 60 runs with a high score of 45. He batted on all 5 occasions "without a cipher (sic)" (duck) and therefore had an average of 12. He bowled 30 overs, 3 maidens, 175 runs for 1 wicket.

In February 1911 Jim played in a B Grade match for Glenelg with his two youngest brothers, George Ashwin and John Ford Yuill (jnr). Jim and Keith's A Grade matches for Glenelg from 1908/09 through 1911/12 are summarised below.

Yuill JA	11	1908/09	1911/12	23	18	1	53	205	12.06	-	1	6	-	204	3	68.00	-	-	1-0

Jim Yuill played his final A Grade game for Glenelg against Adelaide in October 1911 coming in as a replacement for an unavailable player. He did not get a bat or bowl or take a catch. He does not appear to have played for the Glenelg again in the 1911/12 season (A grade or B grade). It is most probable that this was Jim as the Glenelg Cricket Club history does not credit his youngest brother John Ford as having played any A Grade Cricket for the club. John Ford Yuill (jnr) was known by his middle name and when referred to by a single initial he was generally F Yuill.

Lacrosse

Jim played A Grade lacrosse for Holdfast Bay from at least the 1907 season until 1911. On the 8th August 1909 he played Lacrosse for South Australia against Victoria at the Melbourne Cricket Ground.

He also played in the Old Scholars Lacrosse match for St Peter's against PAC in 1909.

LACROSSE.	
VICTORIA DEFEAT SOUTH AUSTRALIA.	
Melbourne, August 8.	
The seventeenth match between Victoria and South Australia was played on Saturday at the Melbourne Cricket Ground. The attendance was not quite up to that of some previous occasions, but it was clear from their appreciation of the good points in the game that the game is becoming better understood. The ground was in splendid condition, but the play although fairly close for more than half the game was not on the whole of a particularly high standard. V. Steel was elected captain of the Victorians, and Rudd had charge of the South Australians, who threw towards the railway end. The teams as they took up their positions were:—Victoria—F. Delves (goal), J. Beattie, C. Graham, B. Dawson, L. Ralily, S. Benwell, V. Steel (centre), F. Dunn, A. Dean, P. Nicholson, P. G. Doyle, and A. Clark (home). South Australia—A. J. Rudd (goal), R. L. Raymond, J. A. Yuill, J. Hooper, R. P. Goode, J. C. Stephens, A. Ballans (centre), L. Ballans, D. M. Steele, L. Hughes, L. Searle, and H. Hopkins (home).	

Jim was on the committee which organised the 1910 Interstate Lacrosse Carnival but missed selection for the SA team. He was on the up for selection again in 1911 but again did not make the team.

He was vice-captain of the Holdfast Bay A Grade in the 1911 season

Athletics

Jim competed in the 135 yards handicap flat and the 440 yards handicap flat races at the South Australian Amateur Athletic Association sports meeting on Adelaide Oval in April 1906.

University

In 1911 Jim commenced studying toward a Diploma of Commerce at the University of Adelaide. He gained a Division II pass in Business Practice and a Division III Pass in Commercial Law in December 1911.

It is likely that Jim was undertaking the studies in the evening and/or part-time.

University Sport

In January 1912 J. Yuill played B Grade cricket for the Adelaide University in a match against his former team, Glenelg. This appears to be his one and only game for Adelaide University and it is likely he was called in as a late replacement as he was not originally named in the team.

Murat Bay, West Coast, SA

In April 1912 Jim left Adelaide and set up an agency business at Murat Bay (now Ceduna) on the West Coast, SA. He was the agent for his former employer Adelaide Steamship Company and a number of other firms.

A new arrival is Mr J. A. Yuill (who has been for a number of years in the Adelaide Steamship Company's employ and now represents the Company as shipping agent). Mr Yuill is also agent for such well-known firms as Thomas and Co. and Dalgety and Co.

He played cricket for Murat Bay in a match against Denial Bay in July 1912.

—Cricket.—

On Wednesday last the Denial Bay club met us on our own ground in a friendly contest. On the previous occasion Denial proved too strong, but the tables were reversed on Wednesday and Murat were very successful. It was agreed to play 12 on each side. Scores:—Denial Bay—F. Brown, 0; A. E. Ward, 3; M. Peterson, 12; F. Skinner, 15; L. Laurenti, 24; A. Wilson, 10; W. C. R. Ward, 0; H. Brown, 1; G. Parsons, 2; J. H. Martin, 1; S. Sanders, not out, 4; sundries, 6—Total, 78. Murat—G. A. Jim was on holidays in Adelaide in August 1912 and in September 1912 he performed the song "I do like to be beside the seaside" at a Smoke Social held to welcome the Streaky Bay Footballers to Murat Bay.

—Personal.—
Mr. J. A. Yuill, who has represented the Adelaide Steamship Coy. and several other firms and agencies, is leaving the district, and has disposed of his business and offices locally. Mr. F. W. Betts has taken over the Adelaide Steamship agency, and Mr. W. A. Leckie has purchased the office.

Sydney, NSW

In Sydney Jim took up a position as a shipping clerk with the company GS Yuill and Co Ltd.

GS Yuill and Co Ltd was a shipping company and frozen meat exporter. The company had been founded by George Skelton Yuill, Jim's uncle and the youngest son of Rev James Yuill and his wife who's maiden name was Anderson. Jim's younger brother, Keith, had joined the firm in Sydney in mid 1912.

Keith commenced playing lacrosse for the Sydney Lacrosse Club shortly after he moved to Sydney and in July 1913 Jim joined him in the First Grade team. Although he only joined the side part way through the season, Jim quickly became a valuable member of the team and was a member of the side who were runners-up in the First Grade premiership match in August 1913.

Jim played Third Grade cricket for North Sydney in the 1913/14 season and in one match against Waverley he had an innings of 124 runs. His brother Keith also played for the North Sydney Cricket Club.

NORTH SYDNEY v. WAVERLEY.

Commenced at North Sydney Oval. North Sydney, first innings, 359 (J. Yuill 124, Long 67, Lough 45, Bernard not out 30); Waverley, first innings, one wicket for 13 (Small 7, Wyness not out 6). Bowling for Waverley Vail took four for 107 and Falconer three for 47.

Jim and Keith both played lacrosse for the Sydney Club again in the 1914 season. Unfortunately due to work commitments, Jim was unable to seek selection for the New South Wales team which was to tour New Zealand in 1914. However, both Keith and Jim were selected for the Inter-State match between NSW and Queensland played in August 1915.

Referee (Sydney, NSW : 1886 - 1939) - 15 July 1914

J. Yuille was the best defence man on the ground, and it is unfortunate that business reasons prevent him making the New Zealand trip. K. Yuille (in goal) was called upon to stop a few hot shots, but the tendency of the Balmain homes to hang on to the ball made the Sydney defence more effective.

Saturday Referee and the Arrow (Sydney, NSW : 1912 - 1916) - 22 August 1914

The New South Wales team is: K. Yuill (goal), J. Yuill (point), H. Dawson (cover-point), W. O'Neill (third man), A. L. Newman and H. Greenburg (defences), D. W. Cross (centre), P. Loutit and A. S. Deane (attacks), P. A. Singleton (third home), A. Thomas (second home), R. Rowe (home). D. W. Cross has been elected captain and H. Dawson vice-captain. V. R. Hopkins and A. McConnell are the emergency men.

It is unclear if the brother's continued to play cricket for North Sydney in the 1914/15 season. They commenced playing lacrosse for Sydney in the 1915 season but due to the impacts of World War I the competition was suspended in July 1915.

World War I

Sadly for the Yuill family their mother, Katie passed away suddenly on the 25th June 1915, at Penzance Street, Glenelg.

Jim returned to Adelaide (one assumes for his mother's funeral) and undertook a medical examination on the 30th June 1915 at Keswick, Adelaide.

On the 10th August 1915 he enlisted in the eighth reinforcement of the 27th Battalion with Service Number 3312. He was 28 years old, 5'8 3/4", 144 lbs, with a medium complexion, blue eyes and brown hair. He named his sister, Elsie May Ford Yuill as his next-of-kin and stated that he had been a member of the Sydney Athletics Sports Rifle Club for four months.

He attended Non Commissioned Officers' School in September 1916 and Officers' School in October/ November 1915. While in Adelaide he attended the Hunt Club races and the "Dickens Fair" in late September 1915.

Jim was an acting Sergeant from the 16th November 1915. He embarked from Adelaide, South Australia, on board HMAT A30 *Borda* on 12th January 1916 and joined the 7th Training Battalion at Zeitoun (a training base at Cairo, Egypt) on the 27th February 1916. He then reverted to the ranks when he was transferred to the 10th Battalion on the 28th February 1916 at Serapeum, Egypt.

On the 23th March 1916 he departed from Alexandrina, Egypt and disembarked at Marseilles on the 3rd April 1916. He served with the 10th Battalion in France and on the 1st August 1916 he was promoted to Lance Corporal.

Death

The 10th Battalion diary reports that they were in operations near Pozieres from the 16th to the 23rd of August 1916. On the 22nd August 1916 in the field in France, Lance Corporal James Anderson Yuill was killed in action.

Having no known grave, Jim is remembered at the Villers-Bretonneux Memorial, Departement de la Somme, Picardie, France.

He is also remembered at the Yuill family plot at St Jude's Church, Brighton.

He left an estate valued at £2,000.

In the early 1920s, the Glenelg Council named some new streets, in honour of some of the fallen of WWI. Fittingly, Yuill Street, named for Jim Yuill, is across Brighton Road from the Glenelg Oval.

From our own correspondent.

September 27th.

News was received this week that a very well-known former resident of Murat Bay, Mr Jas. Yuill, had been killed in France. The deceased, when the Adelaide Steamship Company put their boats on this Coast a little over five years ago, came to Murat Bay to represent the company and several other agencies, including the S.A. Farmers' Union. Owing to his genial disposition, he made many friends during his sojourn in the town.
