Background

Coinciding with the Centenary of Anzacs our incentive behind the series of biographical publications is the Adelaide University Football and Cricket Club's desire to honour our players who served in the Great War (1914 - 1918). These brave men put on hold their academic, professional and sporting careers for King and Country in the name of peace and freedom. The AUFC/AUCC WW1 Memorial Committee is endeavouring to identify every one of our players who served and prepare life stories on all. This is to ensure their sacrifices and further contributions to society will be recognised by future generations.

On Anzac Day 2015, the Centenary of the Gallipoli landing, a memorial plaque was unveiled on the Adelaide University Oval Pavilion and this was followed by the erection of a picket fence between the pavilion and the scoreboard with each picket bearing a plaque with the name of an AUFC/AUCC player who served.

The following documentation relates to the life of Leslie George William Caust. It is compilation of information and photographs collected from a variety of historical sources.

Biography

Early Life

Leslie (Les) George William Caust was born on the 19th January 1889 at Summertown, SA. He was the son of Francis (Frank) James Caust and Annette Caust (nee Kennings). Les's father was an undertaker in the Chain of Ponds and Summerton areas of South Australia.

Les had six siblings. They were Louis Victor (b 1886), Edgar Horace (b 1890), Ina Miriam (b 1893), Arnold Francis Harcourt (b 1896), Reginald Allan (b 1897) and Bessie Alva (b 1900).

Schooling

Les commenced his schooling at Uraidla and was an unpaid monitor at the Uraidla School from 1902-1905. He passed the Education Department Candidates Examination in 1904. He was confirmed as a Pupil Teacher in May 1906 and attended The Pupil Teachers' School in Grote Street, Adelaide in 1906 and 1907 (became Adelaide High School in 1908). In September 1906 he passed the School of Arts examination in First Grade Model Drawing. Les passed the Junior (1908) and Senior Examinations (1909). He was also described in a later AHS Magazine article as a good cricketer.

Adelaide High School Magazine 1915

Pte. L. G. Caust was one of our most successful cricketers. He was at the School in 1906 and 1907. He has been teaching commercial subjects in the Port Pirie High School. Caust has enlisted in the Infantry.

In 1908 and 1909, Les was a pupil teacher at Uraidla. In August 1909 he was promoted from third grade to fourth grade. He played football (captain) and cricket for Summertown and was secretary of the Literary Society.

July 1909

A FOOTBALLER KICKED.
SUMMERTOWN, July 12.—A painful accident happened to the captain of the Summertown football team on Saturday, whilst playing against Fifth Creek. Just after the game started Caust went to pick up the ball, when Gepp, of Fifth Creek, was in the act of kicking it. The result was that Leslie Caust (captain) got the full force of the kick in the mouth, knocking one tooth out, smashing another, and splitting the upper lip open. The sufferer was immediately driven to Dr. Souter's at Uraidla, who put three stitches in the lip. The accident will keep Caust from his teaching duties for a while.

Sadly for the Caust family, Les's mother, Annette, passed away in July 1909 after a short illness.

Adelaide University

Les studied at the University Training College (Teachers) in 1910-1911 and continued to study toward his Bachelor of Arts at the University of Adelaide until he enlisted for WWI in 1915. After WWI he returned to his studies and gained his BA in 1921.

Adelaide University Sport

Rowing

Les rowed for Arts III in the Adelaide University Schools regatta held in August 1910.

Cricket

Les played for the Adelaide University Cricket Club in the 1910/11 to 1912/13 seasons. In his first year he played all his games for the B Grade team. A very useful batsman and occasional bowler and wicket keeper, he performed well throughout the season but was always unlikely to gain promotion into the established and talented A grade team. Les finished the season with 335 runs at an average of 27.9. At the end of the second completed round of matches University were on top of their Division 1 and were to play leaders of Division 2 (East Torrens) in the Grand Final.

The second round of matches in B Grade was finished on Saturday, and the premiership will be fought out on April 22 and 29 on the St. Peter's College Ground. University and East Torrens are the two teams that will do battle, and an even contest is assured if the weather is favourable. The cricket committee has signified its intention to be present, besides which a large crowd of players and supporters will watch the progress of the game. The position of the teams at present is:—

In the hard fought B Grade Grand Final held in late April 1911 on the St Peter's College Oval, Les was the third highest scorer for University with 33 from a first innings total of 189. Unfortunately the side lost the B Grade grand final narrowly to East Torrens in a very exciting finish.

The B grade premiership match in connection with the South Australian Cricket Association was begun on the St. Peter's College Oval on Saturday afternoon, and will be continued on Saturday next. East Torrens batted first, and made 193 against the bowling of the University students, the principal contributors being E. F. Broadbent 50, and L. W. Herbert 45. When time was called the students had begun their innings, and reached 15 without the loss of a wicket.

B GRADE PREMIERSHIP.
AN EXCITING FINISH.

The tussle for supremacy in the final match in B Grade cricket was resumed at the St. Peter's College ground on Saturday in good weather. The not-out men from the previous Saturday—Pavia (14) and Jose (1)—continued. Pavia scored rapidly and played bright attractive cricket, but at 36 attempted an impossible run, 1-36-44. Nott (25), Goode (19), and Caust (33) followed, but the trundlers, supported by a keen field, kept things quiet. The excitement was to come. E. A. Loveridge and Mayne dismissed four batsmen with startling rapidity, and with 9 for 133 the students' chance looked blue—61 runs wanted, and one wicket to fall. Stoddart and Potts essayed the task. Although runs came slowly, the batsmen were not to be dislodged. Gradually the score rose, and Stoddart opened out. Then came a rather difficult chance in the long field, and yet another of stumping. Runs soon came more freely, and the partnership showed 50. Exciting moments followed. With five runs to win and just as victory seemed assured, Stoddart was out l.b.w. to Hunt. Side by side with the dogged defence of the last pair of batsmen, the resourceful bowling of E. A. Loveridge and Mayne stood out as the feature of the match. Scores:—

Les played 8 of the 10 A Grade games in the 1911/12 seasons, however he only made it to the crease on 5 occasions and in 1912/13 seasons he played the first 2 games in A Grade having a single innings and failing to score. At this stage his teaching duties may have interfered with his cricket and his last few games for the Club were in B Grade, without much success.

Pre War Career

In 1912 Les was appointed an Assistant Teacher at Le Fevre Peninsula District High School (Semaphore South), this was followed by Assistant Teacher positions at Adelaide High School (Jan-May 1913) and Port Pirie District High School from May 1913 until May 1915 when Les enlisted for WWI. While at Pt Pirie, the Inspector's comments on Les were "earnest, anxious, intelligent, influential, effective in teaching and discipline, a fine sportsman".

World War I

Les enlisted in the AIF on the 17th May 1915 as part of the 8th Reinforcements of the 10th Battalion. He was 26 years old, 5'10½" and weighed 171lbs. His trade on enlistment was classified as School Teacher.

Les embarked at Adelaide for overseas on the 2nd September 1915 aboard the *Morea*. He injured his knee on Lemnos Island off Gallipoli in November 1915 and the knee continued to cause him trouble through the war. He joined the 43rd Battalion on 20th November 1916 and was appointed a Lance Corporal on 1st March 1916 and then Corporal on 7th August 1916.

On 28th October 1916 Leslie was commissioned as a 2nd Lieutenant with the 10th Battalion and on 1st December 1917 to Lieutenant. Les was wounded on 25 July 1916 at Pozieres with a gunshot wound to the hand and spent 2 days in hospital before being classified as fit. He was one of the 350 men who were killed, wounded or missing at Pozieres.

Mr. F. J. Caust, of Summertown, was on Tuesday advised by the military authorities that his two sons, Lance-Corporal L. G. W. Caust and Private A. Caust, had been wounded in action.

In January 1954, aged 65 years, Les retired and his views on the changes in education were published.

BETTER DEAL IN SCHOOLS

The child was now being considered more in education, Mr. L. G. W. Caust said today.

Mr. Caust has just retired as assistant superintendent of primary schools after 52 years with the Education Department.

He said the child's readiness to absorb lessons was considered far more today. The curriculum was continually being altered so children were not forced to work so hard early in their school life.

Thus there was a smoother development of the child's learning.

Mr. Caust made these three points:

- Schools now had more books so children could get more information for themselves, under guidance.

- Parents were taking more interest in school affairs.

- Opportunity classes had given retarded children a real chance to catch up on their lagging subjects. Children were not meant to stay in these classes. As soon as they had picked up their back work they could rejoin their normal class.

About the personality of children themselves, Mr. Caust said: "They're just the same. Children don't change."

Death

Tragically, less than a year after his retirement, Leslie George William Caust died in Adelaide, SA on 14th October 1954 at his residence at 115 Watson Ave, Toorak Gardens, SA. He was buried at Centennial Park Cemetery, Adelaide. Eva Janet Caust died in 1965 aged, 75 years.

Death Of Mr. L. G. W. Caust

Mr. L. G. W. Caust, former Assistant Superintendent of Primary Schools, died on Thursday night at his home in Watson avenue, Toorak Gardens.

The funeral will leave his home at 9.15 a.m. today for Centennial Park Cemetery.

Mr Caust, who was born in 1889, entered the service of the Education Department as a probationary teacher at Uralda.

He attended the Teachers' College from 1910 to 1911, and played A grade cricket for Adelaide University.

Later he held assistant masterships at Lefevre Peninsula High School, Port Pirie High School and Norwood High School, where he became a senior master and later deputy headmaster.

In 1930 he was appointed an inspector of schools, and in 1949 became Assistant Superintendent of Primary Schools.

He retired last January.

Mr Caust is survived by a widow, two sons and two daughters.

Family Legacy

Margaret Kennings Ward was awarded an AM for services to education in the Australia Day honours list of 1980. She passed away on the 10th September 1986. She had been living at Toorak Gardens, Adelaide, SA.

Dr David Kennings Caust passed away on the 23rd August 1968, aged 45. He and Tess were the parents of Martin, Josephine, Catherine, Lesley and Margaret.
