Dear Mrs. Taylor.

Very many thanks for the socks which I received today with your note inside. The snow has come at last & the knitting can be put away for I shall not be long now or at least we all hope it will not be long before all the boys are home again.

I came over from Australia on Nov 5/17 reaching Sydney, my three being at Perth W.A. & I on the 12/17. I am now 19 years of age.

have been out the front
six months & am glad to
say I was right through
the "stunt" from Aug 8.
till Nov 6 & nothing at all
Hunt near Bullecourt
smashed up in front of
Le Catelet. Then on the
6 of Nov we came down to
Bancourt for a spell
well I hope you all are
keeping in the very best
of health. With very best
wishes & kind regards
Believe me

Yours Sincerely
