

Route

Start: Hirschbach, Bavaria (near Nordendorf, postal code 86695)

Head south out of Hirschbach on the Hirschbacher Straße (St227) toward Nordendorf.
After approx. 1.2 km, turn left toward Kühlenthal (look for the sign to Kühlenthal).

Follow this road south-east for about 3.5 km into Kühnlenthal, watch for a fork in the road after roughly 1 km — take the left fork.

Continue about 500–600 m; you will see a small chapel (Heilig Kreuz) on your left at approximately 48.567045, 10.824077.

The actual crash site is across the road in the paddock (turn left at the Chapel and the crash site is in the field on the right) — walk to the centre of the field, near the small forest line. Estimated coordinates: 48.5675, 10.8260.
