Wooroolin has proud record in Australia

Wooroolin-Tingoora sub-branch of the R.S.L. has a proud record which few sub-branches in Australia could emulate. Two of their members have received the much-prized gold badges as have two auxiliary members.

Last Thursday they added further to this list when Wooroolin storekeeper Mr. Ron Dalton received a gold badge for his work, as a civilian, for the R.S.L. organisation,

State vice-president of the R.S.L., Mr. George Jones (at left) pins the gold badge on Mr. Dalton.

Mr. Jones, in making the presentation, said that the sub-branch had put Wooroolin on the map right through Australia.
