Dear Mrs. Martin,

About 10 days

ago I met your husband Leo
at a Medical Post - told him

~~that I would send along a few~~
lines on his behalf to assure
you that his wound is not
serious. Quite likely you
will have letters from him
by now so I could not write
at the time I met him - but
these added lines will

be a source of consolation
and re-assurance to you. Hope.

Leo was full of cheek as
I met him - what more can I
say than that; for it indicates
just how cheery he was and
how comfortable he was

He sends fondest greetings
to yourself - & to his folks.

God bless you

Yours sincerely in Christ
