

Brancourt,
France,

11. 12. 18.

Dear Miss Taylor.

Very many thanks
for the socks which I
received today with your
note inside. The time
has come at last when
knitting can be put aside
for a while. It will not be long
more, or at least we all
hope it will not be long
before all the boys are
home again.

I came over from Australia
on Nov 5/17, reaching from
Sydney, my home being
at Perth. W. S. W. & I
enlisted on May 12/17, I am
now 19 years of age &

have been at the front
one month. I am glad to
say I was right though
the "stunt" from Aug 8.
till Nov 6. Starting at
Hamel near Antwerp
pushed up on front of
de Cateau, then on the
6 of Nov we came down to
Brancourt for a spell.
Well I hope you all are
keeping in the very best
of health With very best
wishes & kind regards
Believe me

Yours Sincerely
