His brother, who was in my platoon, was in No. 5 Canadian General Hospital with me in Sept. His bed was opposite to mine. I asked after A. Trevor, and the brother said that he was wounded and in England, and that he had had a letter from him. The brother is now in the 49th.

He is my brother. He belonged to IX.pl. C.Coy. There are three of us in the A.I.F. My other brother made enquiries for Alec, and a mate of his said that the two of them had come down together in a wounded condition to Boulogne. I expect Alec has passed through one of the hospitals there. I have heard nothing further.

Dear Pte Trevor,

We have been making enquiries for your brother -
1757 A. Trevor, 52nd Battalion, A.I.F.,
reported Missing 4-9-16, and have been told that if we
apply to you, we shall find that you knew he was in Hospital
in England, and had received a letter from him.

Your Brother's name has never appeared on our
Hospital Index, and we shall be very glad if you will write and
give us the address of the Hospital in which he is a patient,
as we are anxious to get into communication with him.

With best wishes,

Yours faithfully,

Secretary
