MEMORANDUM

To all Victorian Branches of the R.S. & S.I.L.A.

of war medals to returned soldiers discharged in Victoria, has now been taken over by this Branch.

number of medals issued by Headquarters, 3rd District
Base, to branches of the League are still unaccounted for.

I shall be obliged if any completed receipts for medals held by you are returned to this office as early as possible, and every effort made to distribute any medals on hand, as numbers of applications are being received at this office for medals held in the various branches.

Any medals not issued within three months of their receipt by you should be returned to this office as unclaimed.

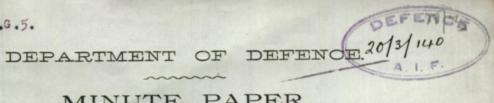

About 60,000 unclaimed war medals have been taken over from Headquarters, 3rd District Base, and in order to ensure that every member of the A.I.F., who is eligible, should receive his war medals, a circular is being posted to each person concerned.

Your co-operation in the past is much appreciated, and, in order to simplify the issue, a number of application forms, as attached, are being forwarded to you per separate post and I should be glad if you could arrange to have them distributed to anyone enquiring for medals.
